Halsey Letter Bares New Parking Rules

Pres. James H. Halsey issued a letter to all members of the University family last week requesting students and faculty not to use the roadways of Seaside Park for parking.

President Halsey stated that all citizens of the Bridgeport area are very proud of beautiful Seaside Park and eager to do everything to keep it attractive to the townspeople. If cars belonging to the University family crowd the roadways of the park, it will interfere with residents who wish to use the park for personal recreation.

This matter, the letter indicated, was brought to University attention during the fall registration first time in the Gym. Rather than have local police tag University cars on the Seaside Park roadways, the Park Board of Commissioners asked school representatives to attend a meeting on Sept. 19 to discuss the matter.

At this meeting it was agreed that all students and faculty-staff personnel would be informed of the matter and that the Board would take no action regarding parking.

University representatives assured board members of the school's desire to cooperate in every instance, not only to help keep Seaside Park a beautiful and useful place, but in every possible way to help make Bridgeport a better city.

Pres. Halsey emphasized that he is confident that the cooperation of all persons associated with the University can be counted on to observe the request.

In last week's Scribe, rules and regulations were printed to familiarize the students with the campus parking problem.

Only faculty members and students, who have registered their cars with the University, are permitted to park on University property, and then only in officially designated areas and according to regulations.

Any car not registered with the University and found to be parked in violation of the regulations will be subjected to greater fines. The committee has the cooperation of the State Motor Vehicle Dept. and can quickly apprehend the owners of non-registered cars.

Street parking is subject to municipal regulations. It is the student's responsibility to become familiar with these regulations. The registered owner of a car found to be parked in violation of regulations must bear full responsibility and will be subjected to the prescribed penalties.

Tampering with parking signs will be considered a violation of parking regulations subject to prescribed penalties.

Regulations governing dormitory grounds are as follows:

Dorm students are allowed one car. No work is to be done on cars parked in these or any other parking areas other than minor emergency repairs. No oil changes will be permitted on cars parked in these or any other parking areas on University property.

In regard to restricted areas, the driveway and surrounding areas at Alumni Hall and Fones Hall have been posted as NO PARKING areas by the Bridgeport Fire Dept. Cars parked in these areas are subject to a \$6.00 fine in the City Court.

Exhibits Featured In 4th Open House

VETERANS MUST REGISTER

Korean veterans attending classes under Public Law 550 must sign up for their checks at the Veteran's Office, 3rd floor of Howland Hall today or tomorrow between 9 a.m. and 5 p.m. according to Mildred Lucas, veterans' counselor.

Veterans enrolled under this program will receive their first allowance check on November 20th. This check will cover attendance from September 17 to Oct. 31 and will approximately amount to \$161.24.

SC Hears Official Of Freedom, Inc.

An official of the Crusade for Freedom, Inc., was a guest of the University Student Council members on October 3 at a luncheon meeting in Alumni hall.

Miss Ann Courtney, assistant to the College Crusade for Freedom chairman spoke to the student group about the possibility of establishing a student program of the Crusade for Freedom on campus.

The College Crusade is a student program of the freedom organization which supports Radio Free Europe and the Free Europe Press for the captive peoples of Eastern Europe. It was set up to stimulate interest and awareness of international affairs, to give students the opportunity of collectively combating Communism, to provide students with a medium for using their own initiative and imagination in an enjoyable as well as educational project.

Christmas Vote Picks Later Date

The later vacation date of Dec. 21-Jan. 7 won out over the Dec. 18-Jan. 2 period in last week's Scribe poll by three votes. The final tabulation showed 219 votes for the earlier vacation against 222 votes for the later dates.

In keeping with the decision made by the administration last week, the larger vote will determine the dates of the Christmas vacation. Although the total vote seems small when compared with the 1200 students eligible to vote, it is in line with previous student election where no more than 600 students cast a ballot.

The heaviest ballots on either side of the question were cast by off-campus males while on-campus male voting was slight in either case. The female vote was in general for the later dates.

ID Cards Ready At Alumni Today

I.D. cards will be distributed today between 1 p.m. and 5 p.m. in the Student Activities Office.

Students are reminded that all I.D. cards with meal ticket numbers will be distributed through Marina Hall.

The following students must have new I.D. pictures taken between 1 p.m. and 5 p.m. on Thursday, October 12, in the Student Activities Office:

Ronald Vitale, Robert M. Cox, Eva Bernstein, Harold Hemingway, Roger Gil, Robert King, Kathleen O'Byrne, Donald Sarner, Ray Mencken and Robert J. Moran.

Also Barbara Reuner, Ruth Wallace, Mary Lou Sarra, Arthur Weeks, Erick Eklund, Irma Davis, Henry Copek, Don Dyson, William Irving, Simon Confrancisco.

Also, Barbara Reuner, Ruth Lar, Jaclyn Jensen, Norman Oliveau, Bill Ahern, Marilyn Green and Brenda Kershaw.

Any student whose picture was not taken at registration may appear at this time.

Poll Station Located In New Carlson Library

Pete Vitti, chairman of elections, has announced that the Scribe-PRF sponsored political poll will be held in the Carlson Library instead of Alumni Hall.

Vitti said the move will alleviate any congestion at Alumni Hall during eating hours while tying in with a library display on presidential elections.

No campaigning will be carried on Park Place, between Park Ave., and Myrtle St. Also, there will be no campaigning within a radius of 75 feet of the polls.

The straw poll will be conducted on October 29, to determine whether the students prefer Eisenhower or Stevenson.

First SC Meeting Held

Pres. Nick Panuzio opened the first meeting of the Student Council with the deliverance of his welcoming address. In this address, Panuzio proposed the following for the coming year: a student court; a bank exchange; control of traffic around campus; a leadership training program; alumni reduced season card for athletic events.

Chest X-ray Dates Set

The Student Health Service announced that the mobile x-ray unit will be taking chest x-rays on Oct. 9, 10 and 11. The hours are 12 noon to 9 p.m.

Locations are as follows: Oct. 9, Shoppers Fair Parking Lot; Oct. 10, corner of Fairfield Ave., and Iranistan Ave.; and Oct. 11, corner of Wood Ave. and Capitol Ave.

Foreign Students Increased to 22

Every year more and more students from other countries enter UB. This year there are 22 foreign students attending the University. Those enrolled in the University this year are David Sprecher, Devora Sprecher, Samuel Klein, Izhar Peskin, Israel Bahjat Huri, Hani Azzam, Lebanon; Jose Bissogno, Alejandro Salazar, R. Ramon Navarro, Jose Mizpanti, Venezuela; Arthur D'Agvia, Brazil; Enrique Pena, Cuba; Festus Halay, Leah Luke, Liberia; Jeannette Howard, Monrovia; Ho Chongo Lee, Korea; George Rahnlis, Zacharias Sitnas, Greece; Yarlagadda Prasad, India; Julius Tjon, Netherlands West Indies; Werner Egil, England and Felix Oliva, Peru.

The majority of these male students center their educational aims at engineering and premed; whereas most of the women students are participating in the social science curriculums.

Soon these students will have the opportunity to meet other foreign students in Connecticut as the Service Bureau for Women's Organization in Hartford is sponsoring a "Welcome to Connecticut" weekend for this purpose.

About 200 students from all over Connecticut will gather in Hartford to attend this convention. The program has not been fully completed as yet, but there will be many informal activities for all students who wish to participate. Invitations have been sent to all foreign students. If any student has not yet received an invitation, he may call the Student Activity Office.

TWO TRUSTEES DIE

This week marked the passing of George C. Waldo, editor-in-chief of the Bridgeport Post-Telegram and Elliott Peck, former president of the Stratford Trust Co. Curtis was a member of the Board of Trustees while Peck was trustee emeritus.

Test Dates Set For Law School

It was announced today by the Educational Testing Service that the Law School Admission Test required of applicants for admission to a number of leading American law schools, will be given at more than 100 centers throughout the United States on the mornings of Nov. 10, 1956, Feb. 16, May 4 and Aug. 10, 1957.

A candidate must make separate application for admission to each law school of his choice and should inquire of each whether it wishes him to take the Law School Admission Test and when. Since many law schools select their freshman classes in the spring preceding their entrance, candidates for admission to next year's classes are advised ordinarily to take either the November or the February test, if possible.

The Law School Admission Test, prepared and administered by Educational Testing Service, features objective questions measuring verbal aptitudes and reasoning ability rather than acquired information. It cannot be "crammed" for. Sample questions and information regarding registration for and administration of the test are given in a Bulletin of Information.

The Bulletin (in which an application for the test is inserted) should be obtained four to six weeks in advance of the desired testing date from Law School Admission Test, Educational Testing Service, 20 Nassau St., (continued on page 4)

Scribe Sponsors Cartoon Carnival

Amateur cartoonists with a flair for college humor will have a chance to achieve local and national recognition in the Scribe sponsored "Cartoon Carnival".

The contest is being run in the hopes of uncovering latent talent in the college humor field. The best cartoons submitted will appear in the Scribe and the winner of the contest will receive a cash award at the annual Scribe dinner to be held in May.

The Scribe Advisory Board will act as judges with the contest being opened to both students and faculty members.

Although nationally syndicated cartoons are now being used, the Scribe feels that University members can do the job equally

well. The best cartoons will be submitted to the National Press Assoc. for possible national syndication, and if the cartoon is published, the author may receive cash for his efforts. This is a chance for talented students along the cartoon line to earn money for doing something which they enjoy.

"What we are looking for," remarked Editor Jack J. Hurley, "is a local appeal cartoon about campus situations that can be applied to other campuses."

All cartoons can be submitted by dropping them in the Scribe mail box on the second floor of Alumni Hall. Along with the cartoons should be the name and address of the originator and should be addressed to the editor.

The University's fourth annual "Open House" will take place Sunday, Oct. 7, from 1 p.m. to 4 p.m.

Sponsored annually by the Board of Associates of the University, the "Open House" provides an opportunity for members of the Manufacturer's Assoc., area townspeople, parents of University students and high school students to visit the campus area.

Administration, faculty members and student guides will be on hand to guide visitors around the campus and answer questions about the University.

Among the special exhibits will be a demonstration of nursing equipment, and a showing of colored slides depicting the everyday duties and classroom activities of the University's College of Nursing students. This exhibit will take place in Fones Hall, room 114.

The psychology dept. of the College of Education will have several pieces of apparatus available to test the reactions of visitors in the Engineering-Technology Building. Students majoring in psychology will demonstrate the various pieces of equipment.

Included will be a depth perception apparatus to determine "how we see and how we estimate distance," according to Dr. Kenneth Chandler, department chairman.

Also available will be verbal mazes, used for the study of symbolic processes in languages and problem solving in addition to equipment related to the area of vision and psychological tests, which is used in measuring intelligence and personality characteristics.

New University facilities placed into operation since the "Open House" of last year include the 100,000 volume Carlson Library, and the new \$700,000 Gym, which has a seating capacity of 2,500.

Also open for inspection will be the Engineering-Technology Building, Marina Hall, Fones Hall, Cortright Hall, Alumni Hall, the Drama Center, Wistaria Hall and Westport Hall.

David W. Price, executive committee member of the Board of Associates, is the general chairman for the "Open House."

Committee members of the Board of Associates planning the affair include: Raymond Hargraves, Bertram N. Arthur, A. W. Jacobson, William H. James, William M. Raxton, Frank Piazza and Roger Warner.

Answer on page 4

Along Park Place

by Vinny Caprio

Circumspecting Alumni Hall on any given day, one or all of the following scenes would doubtlessly be seen. Lorin Beresnyak huddled in a corner with his pinpal Audrey Thilo—an autographed picture of Bill Meade. Bob Mockovak's long frame draped over a few chairs while eyeing the latest issue of Playboy.

Mona Schwartz surrounded by SLX. The TE girls led by Terri Paxton sitting at the same table near the jukebox. Dick O'Grady and Jack Mischou arguing about whose turn it is to buy. Sugar Aronson running a shuttle between meetings and her classes. Smiling Nick Panuzio standing at the bottom of the staircase gazing about—Mel Zimmerman serving coffee half and half (half in the cup and half in the saucer). Two dozen UB-ites racing for the same chair. A corner reserved for the men of gridiron fame.

The amazed looks on a freshman's face when he learns that the chairs aren't really reserved for upperclassmen.

Physical education major Norm Schimmelman has been sharing connubial joy with former hometown sweetheart Marge Katz since their late August wedding day. Marge was a medical secretarial student at UB.

Football coach Walt Kondratovich had his hopes for a future star quarterback shattered when his wife presented him with a nine pound cheerleader. As the Braves' fan said, "Wait till next year, Coach."

The staunch and able president of POC, Gil Strunk, presented Roselyn Gilbert of Stratford Hall with his fraternity pin and membership card to PKP. Lovely lass Jean Heanue of BG was overjoyed when presented with a girl's best friend. The

Jim Murphy Named New Wistarian Head

This year's Wistarian will be edited by Jim Murphy. Already on Murphy's staff of editors are: Lay-Out Editor, Terance Johansen; Business Editor, Malcolm Wolf; Sports Editor, Larry Babich; and Feature Editor, Bob O'Brien. Vic Muniec will be the faculty advisor.

The outstanding feature of this year's Wistarian will be that it is a senior back for the first time. It will have no pictures of lower classmen, other than those that are members of organizations, fraternities or sororities. The Wistarian will have 168 pages with the theme a deep dark secret.

On Oct. 8 from noon to 4 p.m. there will be staff meetings and interviews for those interested in working on the Wistarian. The interviews will take place on the 3rd floor of Alumni Hall in the Wistarian Office.

Any typists interested in working on the book and cannot attend this interview please contact Terance Johansen on campus.

ORDERS TO TAKE OUT

Alpha to Zeta

by Don Lurie

Al Merenoff and Ronny Richardson have been writing bits all summer in order to provide you with a great show tomorrow night. After three weeks of rehearsals, the brothers of Pi Omega Chi will dramatize this zany sketch which is a guaranteed side splitter. The ingredients are new, original, and unusual, but the finished product is a secret. However, one thing is sure, Richardson will steal the show with his wild interpretation of a famous personality. This is no bluff, so grab yourself some stuff, and get down to Lenny's Wagon Wheel for the POC Sweetheart Ball tomorrow night.

Congratulations are due to ADO brother Frank Fazekas on the birth of his seven pound son. Sonny boy is a rebel all the way. We forgot to mention last week, the big blast that the brothers had this past August. The occasion was a surprise party for Charlie Hilderbrand at Bill's Castle.

You have probably noticed a group of quite happy and contented girls this past week while you were strolling down Park Place. The contentment was justified, for they had just recently been accepted as inactive members of the IFC. Naturally, I am referring to the sisters of Phi Delta Rho who are currently keeping their fingers crossed and hoping for the same good luck in the future.

The Scribe has added a new talent feature writer. Dave Barr, past president of Student Council and brother of Sigma Lambda Chi, proved his talent last week with a great feature column, "Nothing Barred." This is the best feature to hit the Scribe in quite a while. Don't miss it.

One of the SLX old pros will pull quite a fake out this week-end when he shows up at the POC dance. Delta Epsilon Beta has recently disclosed the results of its new executive committee officers as follows: President, Don Woodruff; Vice-President, Dick McDermott; Secretary, Dick Bonini; Treasurer, Don McIntyre; Corresponding Scribe, Fred Pickel, and Fraternity Advisor, Prof. Raymond Petrie.

The campus should be quite colorful next week as many fraternities and sororities begin pledging. Rushes of Beta Gamma will strut their stuff Monday when they don their traditional white gloves, black canes and top hats.

Upsilon Beta Sigma is currently preparing for what they hope to be a successful pledge class. Plans are in the making for a new and different pledge period. Pledgemasters Rose Zito (sandwich girl) and Anne Lois Plotkin, will hold the whip over a various assortment of beauties wearing their traditional baseball

outfits next week.

The sisters of XSO, by the way, the still being denied active membership in the IFC. After participating in the construction of the constitution and helping to make it a strong binding one, they certainly deserve recognition.

Keep your eyes open; Theta Sigma will continue to keep up with the competition of fraternity life by initiating a new pledge pin system in the near future. Their pledge pins are quite novel and significant in fraternity pledging. This system will provide a well needed stimulant for the spirit of the pledging season.

Entertainment at Kappa Beta Rho's Kickoff Caper still has quite a few socialities buzzing. Although many students are prone to college entertainment, they certainly got their money's worth. The boys are thinking of selling 3 D glasses for future dance dates.

Sigma Omicron Sigma will, as usual, be well represented in Campus Thunder. Terry Johanson and Stu Plotnick will garner the theatrical honors for the fraternity. The brothers had their first blast of the season last Monday night at the Fairway Inn. They were hosts to a large group of hopeful pledges.

Leo Noon, pledge chairman of Alpha Gamma Phi, will be sitting in the drivers seat in the near future as AGP begins their fall pledging. It will be quite difficult for new pledges to fill the shoes of their athletic minded brothers. Representatives from AGP gave their all last Saturday on the football field, although they lacked the services of Ed (Rebel) Hall.

As the school year rolls on, Alpha Phi Omega will be performing many services for UB. On Oct. 7, the brothers will act as guides for visiting parents and friends. Lose something? Keep your eyes open for APO's lost and found department which is being constructed at present. Hats off to Hugh James for many hours spent on this worthwhile project.

News either comes all at once or not at all. Thanks for the co-operation given me this week. This is your column. I am just a rewrite man. While I am handing out bouquets, I would like to give pepersonal thanks to a cute blonde from Schlott Hall, Jeri Sheslow, who is giving me more cooperation and effort than anyone by typing this column.

FOR CARS BEARING UB STUDENT STICKER

The Sports Corner

by Larry Babich

Although UB has yet to win a football game this season, their outlook is very bright. Losing to a powerhouse such as Northeastern University is no shame and to lose by a close 26-15 score after leading 13-7 at half-time is something of a moral victory.

The scoreless deadlock with Norwich University was no defeat, but in the minds of those who saw the game and watched the Knights miss out on a few golden opportunities it could have been a well deserved win. This past weekend Norwich defeated powerhouse Bates College 13-6. So you can see the Knights have fared pretty well in tough competition.

This week the Knights oppose another tough and rugged team in Pennsylvania Military College. Winners of their first two contests over Wagner College and Western Maryland College, the military school ranks as one of UB's top opponents.

This season alt Kondratovich has a crew of hustling and rough ballplayers who will do what is expected of them on the field. Of the 34 man squad only two are seniors. This alone is a sign of good UB teams for the future.

Pete Alesevich, Kondratovich's new line coach, has formulated a hard charging line who do some rough tackling.

Well stacked in backs, the Knights can send three different backfields in the ball game at any time without losing too much superiority.

On the "Alesevich Line" are some mighty promising players. With two top flight ends gone in Dick Cipriani, twice N.A.I.A. All-American and big Ed "Yan-

kee' Hall, the Knights faced a difficult problem in replacing the two stars. But in Sophomores Dick Whitcomb, Duane Shepard and Bill Meade, the Knights have found three adequate replacements. All three have shined to great advantage in the two games to date.

At tackles, the Kaymen have five bruising athletes, all weighing well over the 200 pound mark. Ernie Levitt (250), Gus Gazdik (220), John Kenny (215), Dick Bonini (210) and the "little man" Jim Cassel (200) compose a group of gentlemen not many guys would like to tangle with on or off a ball field.

The middle men on this season's outfit are quick and aggressive. Gene Pulaski, veteran guard, leads the way with Dave Quagliozzi, Gary Engler, Joe Communale and Jim O'Hara, all contributing to the power of UB's "Alesevich Line". Ed Callendo, another talented guard has not seen action because of a knee injury, has been rated as a top prospect.

At center, the Knights continue their trend of having top flight men. Since 1953 (my freshmen year) they have had John Anderson and Dave Deep, both All New-England selections. Now the Purple and White come up with junior Bill Barstow, a rangy lad with plenty of ability.

And so with games remaining with Pennsylvania Military College, Hofstra College, American International College, Upsala College, New Britain Teachers College, Wilkes College and New Haven State Teachers College the Kaymen could wind up their campaign with a 4-4-1 record.

IM Football Has Ten Team Loop

UB's 1956 intramural football season opened yesterday with the announcement from Intramural Director Fran Poisson and his assistant, Bob Sveda of a ten team loop with two separate leagues.

The American League consists of Marina Hall, SLX, the All-Stars, Alpha Gamma Phi and Trumbull Hall. The National League features Stamford Hall, SPA, Pi Omega Chi, Kappa Beta Rho and Sigma Omicron Sigma.

All league games are posted on the Alumni Hall bulletin board in advance of the games.

Today, defending champion Sigma Phi Alpha plays Stamford Hall at 3:15 p. m. at Barnum Field.

UB Booters Edged in Soccer Opener

The University soccer squad opened its season on an unsuccessful note Saturday afternoon, as it dropped its opener to Hofstra College. The Dutchmen from across the sound, with a much improved squad, backed by the fine goal tending of Bob Peterson, edged out a somewhat inexperienced Bridgeport team in the final minutes of the second overtime period.

The game was played under ideal weather conditions, the temperature being a sunny 70 degrees. The first period was a scoreless one, although UB threatened to score several times. Only a spectacular save on the part of the Hofstra goalie kept Felix Oliver from scoring on a close inside shot midway through the period.

The second stanza remained scoreless until 10:20 of the period when All New England, Felix Oliver booted one past the Hofstra goalie to give Bridgeport a 1-0 lead. Oliver's initial goal of the season was a short, hard shot just to the left of the Hofstra goalie. The assist went to Frank Wlassak.

With the able assistance of sophomore goalie, George Dieter, UB held the lead until 20:32 of the period. At that time Hofstra knotted the score 1-1 on a shot taken at an impossible angle, catching the unprotected right hand corner of the UB goal.

UB started to force the play at the start of the second half, and it finally paid off as Jack Martin dented the Hofstra twines at 15:16 of the third period. The score was made possible by a fine corner kick from Pete Degregorio.

Fighting from behind, the Dutchman tied the score once more with just 13 seconds remaining in the period.

The fourth and final 22 minute stanza was cautiously played by both squads resulting in a scoreless period. With the score tied at 2-2 at the end of regulation play, the game went into overtime.

Northeastern Hands Knights Season's Initial Loss, 26-15

Traveling to Boston, Mass., to play Northeastern University last Saturday, the Purple Knights were downed by the favorites in a close ball game by a 26-15 score before a crowd of 2,000 spectators.

Enjoying a 13-7 halftime advantage, thanks to two touchdowns by sophomore halfback Don Scott, the Knights lead was short lived as the strong Hub City crew rallied with one touchdown in the third quarter and two scores in the final period.

The Purple and White opened the scoring midway in the first quarter. Scott intercepted a Northeastern aerial on his own 23 yard strip and raced 63 yards before being tackled on the Huskie 14 yard line. On third down, quarterback Jerry McDougall fired a pass to Scott into the end zone for the score and halfback Charley Jessup added the extra point to give the Knights a 7-0 lead.

Northeastern tied the score in the second half, marching 86 yards for the score. The Knights, however, grabbed the lead back when they marched 63 yards for a score with only ten seconds to go before halftime. Again it was Scott on the receiving end of an aerial, but this time Tracey Smith, UB's sophomore signal-caller, was the thrower. The try for extra point was no good as the Purple and White tried to run for the point.

The Huskies took the lead early in the third quarter and counted twice more in the final stanza to take a 26-13 lead. Walt Kondratovich's crew added two more points on a safety as Dick Whitcomb hit Huskie quarterback Jack Erickson in the end zone.

UB had one other good chance to score as Bill Barstow, the Knights' center, picked off an aerial and returned it to the Northeastern 15 yard line. But the Knights could do nothing with the opportunity and the home team held firm.

UB returns home to play Pennsylvania Military College at Hedges Memorial Stadium in a Saturday night contest. The military school is 2-0 on the season with 14-7 win over Wagner College and a 19-0 win over Western Maryland College.

The Knights are a much improved ball club and feature a strong offense as their total of 437 yards in total offense for two games indicates. With the return of Mickey Donahue to action the Knights should have more power added to their offense as Donahue is a slick passing quarterback.

Alumni Announce Dance

The University Alumni Assoc. will conduct its annual fall reunion dance, October 26, at 9 p.m. in the Longshore Country Club, Westport, Chris M. Parris, alumni president, has announced.

Music by Frank Kraynik and his orchestra and an informal report of recent University developments will comprise the program. Dress will be informal. Further information may be obtained by contacting the UB Alumni Office in Cortright Hall.

*** National *** NEWSPAPER WEEK

New Bulletin Board Given by '56 Class

A multi-plex display board, given to the University by the graduating class of 1956, is the newest addition to Alumni Hall. The new board, which is a stand with a number of small, rotating bulletin boards, will be found in the student lounge on the second floor.

The advantage of the new bulletin board over the old one is the availability of more space for the posting of notices.

APO Establishes Lost and Found

To set up and assume responsibility for a centralized lost and found department on campus is the latest project of Alpha Phi Omega, Ralph True, president has announced.

The plan, approved by Mrs. Lunn, acting director of Alumni Hall, brought about the appointment of a three-man APO committee, Hugo James, Peter Peschke and Richard Schneier, to set up the booth.

Located downstairs in Alumni Hall the booth will be open two hours daily.

lucky lad was secondary education major, Charles Kelly.

ADO's George Hobart became engaged to Millie Lucas of the Veteran's Advisory Office. Getting his check on time will not be any problem. Miss Lucas said to remind all veterans that they won't have their training allowances for last month if they haven't signed for it by October 5.

Mark Scheinbart, co-captain of the soccer team and pledge-master of ADO Fraternity, is rumored to be "going steady" with Adolphian Helen Baronberg. Doris Schwartz of Wistaria Hall accepted the TEP pin of Mike "Pudgy" Flax of Bridgeport. Doris is an elementary education major and was nominated for Wistaria Queen last May.

Girls! Standby for further developments in the romantic life of Freshman Paul MacVittie. Mac appears to be setting the pace for the rush usually given Frosh women by upperclassmen.

Last Saturday night, the Brooklyn Jewish Center was the scene of the formal wedding held for Elaine Weissman and Mike Lipshutz. Elaine has been working as a private secretary since her departure from the UB campus.

The second party in a series of many, was held at "Knapp's Hideout" Saturday night and from all reports, the water was flowing over the rocks. Maps were provided and will be in the future for those desiring to attend.

Stan Luby and Jeri Sheslow have been seen cooling in, out and around Alumni Hall. Murray Pruess is spending more and more time in the Scribe Office since the appearance of a new girl reporter.

It isn't the charm and personality of the mailman that has Gail Breff waiting for his daily appearance, but rather the cherished letters he delivers from Norwich University.

Wonder who the girl is in Southport Hall Ed Wolfe keeps getting a busy signal from each time he calls? He said he was too shy to ask for a date.

Many female hearts will be sad to learn that Roger Gill, the blond lover from Trumbull Hall asked Juanita MacDonald to be his eternal one and only.

So long D.E.T.

'Thunder' Rehearses

The first rehearsal of Campus Thunder will be held tonight at the Drama Center at 8 p.m. Under the direction of director-writer Albert A. Dickason the tenth annual "Thunder" is beginning to roll.

The technical staff for this year's show has been assigned. Production supervisor this year is Jack Zalkin. Jack has been active in several previous versions of "Thunder" and was general manager of the Groton Playhouse this summer. Stage manager John Reed is no newcomer either. Reed appeared in the first "Campus Thunder" and every following edition except when the Army forced an interruption.

Other assignments announced are: Technical Director, Bernie Goldberg; Lighting, Donald McIntyre; Assistant Stage Managers, Ed Lucas and Geoff Weaver; Carpenter, Richard Deichman; Property Chairman, Jane Shapiro; Property Assistant, Claire Wegen; Script Girl, Joan Knox; Assistant, Sylvia Pirozoli; Wardrobe Assistants, Pat Parks and Greta Kuneman; Make-up Assistants, Dorothy Seliski, Paula Cohen, Paula Gordon and Pat Duffy.

Production assistants for this year's "Campus Thunder" are: Roger Lefkow, Carole Curry, Raymond Pistey, Robert Devine, Ann Goodwin, Esther Lefer, Ed Whitney, David Marks and Sandi Koton.

News in Brief

Dr. Henry W. Littlefield, vice-president of the University of Bridgeport, was honored last week when his portrait was unveiled in the University's Drama Center. The portrait was done by Fredrick Roscher who has done portraits of other University notables.

Program participants included H. Aimon Chaffee who introduced Roscher and unveiled the portrait. Rev. David P. Hatch, pastor of the First Church of Christ Congregation in Fairfield, gave the invocation and benediction.

James H. Halsey, president of the University, and Ronald A. Malony, vice-chairman of the Board of Trustees, paid tribute to Dr. Littlefield for his leadership and prominent role in the growth and development of the University.

The results of the women's dormitory elections were announced recently. At Wistaria Hall, Olga De La Victoria was elected president and Doris Schwartz, vice-president. Marilyn Green is the new treasurer and Maxine Rosenholtz, the new secretary.

Linden Hall's new slate of officers include: Joslyn Porsson, president; Marion Turke, vice president; Sally Rubell, secretary; Teddy Rosenberg, treasurer.

Schlott Hall's officers include: Mitzi Vass, president; Wilma Jacobson, vice-president; Paula Cohn, secretary; Phyllis Sanders, treasurer.

The results of the Seaside Hall elections were: Jane Tratner, president; Elise Wolf, vice-president; Marilyn Case, secretary; Rhode Werner, treasurer.

Campus Cutie

With the tenth annual "Campus Thunder" rolling in, we went to writer-director Albert Dickason to learn some of the history of "Thunder."

The first "Campus Thunder" was held, as in subsequent years, in the Klein. That first show produced talent which Dickason still recalls fondly.

He tells, for example, of two freshmen, Gerry Wilkins and Stu Baker, who met through Thunder, married and then went on to co-star in succeeding editions of the show. Gerry has gone ahead with her modern dance career and appeared in a convocation program last year.

Dickason has been writer-director of all editions of "Thunder". He conceived the idea while an instructor at Dickinson College, in Carlisle, Penn.

Vivacious Jeri Sheslow is a sophomore in the College of Liberal Arts. Jeri modeled sportswear this summer while commuting from Manhattan to Riverdale, N. Y., her home town. She reigns at Schlott Hall and after graduation will try her hand at full-time modeling.

Two Chosen by Underwood

Two University men, Edward J. Stanczyk, a September graduate, and William H. Kresge, an evening student have been selected for an executive development program at the Bridgeport Works of Underwood Corp.

Following through with the company's "Progress Unlimited" theme, the program is designed to produce top-notch business machine leaders.

Scores of applicants were carefully screened over a several month period before Kresge, Stanczyk and two other applicants were chosen for the two-year course.

The intensive 100 week program has been divided into three phases: manufacturing, personnel and engineering, to give each trainee a thorough working knowledge of manufacturing, assembly, inspection and administrative operations performed in the Bridgeport Works.

Assigned to factory departments, Kresge and Stanczyk will observe and assist foremen, group leaders and set-up men in carrying out their regular duties. After 76 weeks, they will select a field within the plant for specialization.

A graduate of Bassick High School and an Army Signal Corps veteran who saw service in Germany, Kresge is presently enrolled in the Evening Division, majoring in industrial engineering. He is a member of Theta Sigma fraternity.

Stanczyk received a Bachelor of Science degree in industrial relations from the University this fall. While at the University he was a letterman on the varsity golf squad. A four year Navy vet, he is a member of the Society for the Advancement of Management and the Knights of Columbus.

Dr. Apel to Speak

"Economics in the Two Major Party Platforms" will be the theme of a speech by Dr. Hans Apel in a convocation on Oct. 10, at 2 p.m.

Dr. Apel, chairman of the Economics Department, will attempt to bring to the public the way the platforms should be read and interpreted.

He has been at the University for the past five years. Prior to his joining the faculty he studied law, economics, and philosophy at the University of Berlin and later obtained his doctorate at Boston University. He has taught at Middlebury College, Vermont and later at Boston University.

The Grace Line

by Grace Chanovitt

Noted for his two professional plays, "Mistress Liggins," which was produced on the West Coast starring Josephine Hull, and "The Master's Chain" which starred Ona Munson and Richard Ney, Dickason also directed the White Barn for several summers.

This year's "Thunder" will be held in The Shakespeare Theater in Stratford, Conn., for the first time. The theater provides the means for the Shakespearean theme being used, that of transplanting Shakespeare's 16th century characters into a 20th century musical. A review of some of the best numbers in recent "Thunder" shows has been incorporated into the tenth anniversary show.

Several performers have gone far from their start on campus. Sheldon Rose, for example, is now a drama instructor. Priscilla Haslett, who appeared in the first show, is now touring the Vaudeville circuit with a magician's act. She has also performed in summer stock. Don Salinero, a popular dancer in Thunder, has been seen in two Broadway stage shows.

This past summer several UB students had the opportunity to display their talents on the boards in summer stock at the Groton Playhouse. Lucy Wislinski and Stan Luby, both of whom will appear in Thunder again this year, were called upon this summer to substitute for leads in "Ain't It a Shame" at the Playhouse.

Another UB favorite, Bob Ruge appeared in the same show. Bob is currently running his own disc jockey show on WNAB in addition to his successful dance band. The general manager of the Groton Playhouse, Jack Zalkin, is this year's production manager of Campus Thunder.

Among the other UB-ites who made good in theater this summer is Gerry Bennett, who was featured in several productions of the Polka Dot Playhouse. Gerry was the star of "Thunder" last year.

The first "Thunder" introduced not only the Genie, the master of ceremonies, but our beautiful "Thunderettes," too. The Genie, at that time, led the audience through the "Land of Make-believe" to the scenes of the review.

These are not the only "famous firsts" of "Thunder." Dickason is proud to report that our version of the "Ziegfeld Follies" was performed before the Broadway revision with Tallulah Bankhead, and the "Thunder" show based on the Amish people appeared a full year before "Plain and Fancy" was introduced on Broadway.

"Campus Thunder" is a "big-time" venture. UB students are well entitled to their pride in this outstanding theatrical production.
